Application for Complementary Paratransit Service

ADA Paratransit Eligibility Application and Instructions

Dear Applicant,

Thank you for inquiring about applying for Southeast Vermont Transit’s ADA Paratransit Eligibility. Enclosed is a copy of an application for Certification of ADA Paratransit Eligibility.

Please read the enclosed materials carefully before completing the application.

ADA Paratransit service at Southeast Vermont Transit provides service to individuals who are unable to use the fixed-route bus service because of a disability. An inability to use fixed route bus service may include being unable to travel to and from bus stops, board or exit busses, or understand how to ride and use the bus system.

Currently, SEVT is required to provide ADA complementary paratransit service on all our in-town fixed routes. We do not provide ADA complementary paratransit on our commuter routes.

SEVT Paratransit provides shared ride, door to door service to persons determined to be “ADA Eligible” for those trips that cannot be made using the fixed route service. You may, for example, be able to use fixed route service for some trips if stops are nearby and there are no barriers that prevent you from getting to and from the bus. At other times, you may not be able to use the bus, SEVT’s paratransit service is meant to assist you at those times.

To enable us to accurately determine your eligibility for this service, please complete the enclosed application as accurately as possible. The questions are meant to determine the circumstances under which you can use fixed route or ADA paratransit services.

If you need assistance completing this form, or have questions, please contact our office at 802-460-7433 (voice) or TTY 711. This letter and application are available in alternate formats.

After you have completed the application information, please have a licensed health care professional or disability case worker who is familiar with your health condition or disability and your functional abilities, limitations complete the health care professional information. The information you provide in this application is confidential. Please do not attach medical information to this application.

Please mail your application to: The Current, 706 Rockingham Road, Rockingham, Vermont 05101
Completed applications will be processed within twenty-one days of receipt. You will then be notified in writing of your eligibility status. If additional time is required to complete the evaluation and determination you will be given temporary eligibility until the process is completed.

If we determine that you are able to use SEVT’s fixed route service, and therefore in-eligible for ADA paratransit service, we will notify you of the reason(s) for this determination. You may appeal this decision in writing. SEVT will not provide ADA complementary paratransit service during the appeal process, unless the appeal process cannot be concluded within thirty days.

Attached with this packet for additional information is our ADA Paratransit Service Guidelines and Routes.

Sincerely,

Rebecca Gagnon

Attachment to Application for ADA Complementary Paratransit Service

Dear Health Care Professional or Disability Case Worker

Federal law requires that Southeast Vermont Transit (SEVT) provide complementary paratransit service to persons who cannot use the accessible fixed route bus system.

The information you provide in the attached Professional Verification will allow SEVT to make an appropriate evaluation of the applicant’s mobility and determine how we may best meet their needs.

In accordance with the “Americans with Disabilities Act of 1990” (ADA) and its regulations, Section 37.123 (e), there are two specific circumstances under which a person would be considered ADA eligible for SEVT’s Complementary Paratransit Service.

1. Any individual with a disability who is unable, as a result of a physical or mental impairment (including a vision impairment), and without the assistance of another individual (except the operator of a wheelchair lift or other boarding assistance device), to board, ride, or disembark from any vehicle on the system which is readily accessible to and usable by individuals with disabilities.

2. Any individual with a disability who has a specific impairment-related condition which prevents such individual from traveling to a boarding location or from a disembarking location on such system.

Please Note:
This does not include persons who find it uncomfortable or difficult to get to and from bus stops.

Resources for this service are limited, and your evaluation of each person must be based solely upon the individual’s ability to use regular transit service. All fixed route buses are ADA accessible. Your verification should consider only the presence of a disabling condition, not the applicants’ economic status. Please exercise care in evaluating applicants for this service.

If you have any questions about the application or the review process, please contact The Current (802) 460-7433

Sincerely,

Rebecca Gagnon
